

ResolveAI User & Admin Manual

Operational Instructions for Guests & Administrators

1. Guest Visitor Instructions

Visitors open the homepage and immediately chat with the AI assistant. If an issue is unresolved, click 'Submit Support Ticket' to receive a unique tracking Ticket ID.

2. Admin Console Instructions

Log in at /admin/login using admin@example.com / admin123. Review stats, reply to support tickets, update ticket statuses, manage FAQs, and download CSV reports.
