

ResolveAI User & Administrator Manual

Operating Guide for Website Visitors and Support Administrators

1. Customer / Visitor Instructions

Visitors access the homepage (<http://127.0.0.1:5000/> or live URL) and immediately interact with the AI assistant. If an issue requires human attention, click 'Submit Support Ticket' to generate a unique Ticket ID.

2. Support Administrator Instructions

Administrators log in at `/admin/login` using `admin@example.com` / `admin123`. Administrators can monitor real-time stats, reply to support tickets, change ticket statuses, manage Knowledge Base FAQs, and export CSV reports.
